

FUNKTION-ONE

F118 MK2

The single 18" version of the F218 for those who require a smaller enclosure. In common with the F218, the Mark 2 release brings refined loading, improved heat dissipation and an updated driver specification. Outdoor installation version available with appropriate suspension hardware. It provides large quantities of tight, punchy, well-defined, clean bass from a small and manageable package. The F118 can be supplied with an optional pole mount for use with products including the Resolution 2SH.

Features:

- Sophisticated loading design with new Andrews' tuning
- Powerful and compact
- Funktion One designed driver
- Integral handles
- Optional throat grill
- Optional wheels
- Optional 'top hat' pole mount (32mm diameter)
