

FUNKTION-ONE

RESOLUTION 2SH

This is a skeletal version of the mid-high section of the Resolution 2. It is extremely small in size, yet is a potent and versatile product. It can either be installed using the integral yoke, stand-mounted or used on a pole above Funktion One's F1 18 bass enclosure. The product is ideal for many applications from small clubs and demanding audio-visual situations through to peripheral use in Funktion One stadium systems.

Features:

- Extremely small minimalist design
- Fully passive (minimising amp/x-over usage)
- Appealing aesthetics
- Optional "hair net" scrim reduces visual presence
- Funktion One designed drivers
- Optional pole kit for mounting above F1 18
- Includes versatile mounting yoke
- 100V line and fire retardant versions available
- Mobile R2EH version available with an enclosure sharing the same footprint as a Resolution 2 (two of which neatly fit on a single Resolution 2 Wheelboard)
